

Rennes

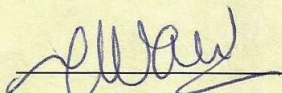

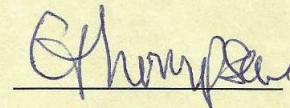

EXETER

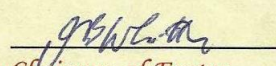

TWINNING CHARTER

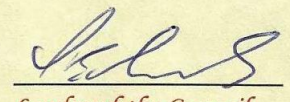

The City of Exeter, Great Britain and the City of Rennes, France convinced that understanding and friendship between the nations and peoples are of the utmost importance for the future of mankind and having enjoyed strong and cordial ties for sixty years hereby re-affirm their resolve to honour this twinning by maintaining and widening all friendly ties between the peoples of these two communities and to continue to further these aims by promoting and encouraging the exchange of cultural, educational and sporting activities between the communities thereby building on the firm foundation established sixty years ago of understanding, respect and friendship for all time.

Date: Friday 3 June 2016
